

The logo for TalentX, featuring the word "TalentX" in a sans-serif font. The letter "A" is replaced by a stylized red human figure with arms raised, suggesting movement or success. The "X" is a simple black letter.

TalentX

Finding Your Employee Fit

A background image showing a group of four business professionals in a meeting. A man with a beard and glasses is looking at a laptop. A woman with glasses is looking towards him. A man with a beard is looking towards the woman. A woman with curly hair is leaning over the table. A large red chevron graphic is overlaid on the image, pointing from the bottom left towards the top right.

HELPING YOU FIND

EMPLOYEE FIT

WITH COST EFFECTIVE STAFFING SOLUTIONS

ABOUT US

TalentX helps you find the right employee that fits your hiring criteria and is perfect for the job. Not only that, we also help you with their onboarding - providing space and state of art equipment - to make the hiring process and workflow easier.

The staff is trained and kept under HR supervision to ensure the quality and reliability of the tasks

NEW DYNAMICS FOR STAFFING SOLUTIONS

WHY CHOOSE US

- ▶ **Less Than Average Wage Estimates**
We help you recruit employees in lesser charges as compared to the average market which helps you save up and ensure the quality of work likewise.
- ▶ **Onboarding Expenses Covered**
Once the candidate is hired, we help you with bringing them onboard at our own offices, giving specific required training and also ensuring they have all the essential facilities and amenities for completion.
- ▶ **HR Supervision**
Since onboarding is on us, we make sure to do it all the right way with having an experienced team of HR that manages the glitches and smooths the bumps along the way for your employees.
- ▶ **Employee Expenses Covered**
From bonuses to travel costs and everything in between, TalentX will make sure to take care of it all. Just let us know your requirements for the said employee and we will get them hired and placed.
- ▶ **State of Art Equipment**
Whatever the system requirements and amenities are needed for the smooth workflow, we shall provide the employees with it.
- ▶ **Cost free backup resources**
In case an employee leaves without notice, in such situations, we have our backup resources prepared and ready to go with complete training to make sure your work in between is not interrupted and tasks are completed in due time.
